

DNP

PRINTER

Key Features:

- Print speeds are as fast as 8.7 seconds per 4"x6" print
- Printers have a space saving design—only 12.6 inches wide by 14 inches deep by 6.6 inches high
- A powerful printer control engine designed to maximize image quality
- Printers have an ergonomic design for easy-access front loading of media and for maintenance
- Compatible with Mac users for Mac OS 10.7 Lion & earlier Mac OS 10 versions

dsseries™ printers

DNP IMS America Corporation has revolutionized dye-sublimation printing with DS Series™ printers. DS Series printers are high-speed, high-quality photo printers for use in kiosks, labs, by professional photographers, or in other commercial applications. Winners of the DIMA Digital Printer Shoot-Out three years in a row, the DS Series printers offer unparalleled reliability.

The DS40 and DS80 printers use an exclusive internal print method that safeguards the paper from exposure to dust and other contaminants. Ergonomically designed for easy access and front loading of media, the DS Series printers boast a cartridge-based ribbon. The DS40 and DS80 printers support both matte and glossy finishes without changing ribbon or paper.*

Revolutionary dye-sub printing

for demanding Applications

High-speed High-quality INSTANT photos

Easy-to-maintain Unparalleled reliability Matte and Glossy prints
Compact yet portable

*In stand-alone mode using Windows print driver

dsseries™ printers

Specifications:

DS Series printers are competitively priced, high-resolution printers that produce rich photos that display full color details and smooth gradation. The lamination layer on the media provides resistance to fading, fingerprints, water, ozone and dust.

Unlike some photo printing processes that require chemicals or liquids, DS Series printers are easy-to-maintain photo output technology that require minimal care.

DS Series printers are specifically designed to use DNP's high-quality, value-priced dye-sublimation media.

Resolution

High-speed mode	High-quality mode
300 dpi	600 dpi

Print Capacity

DS40	Postcard	4"x6"	400 sheets
	2L	5"x7"	230 sheets
