sl10™ SnapLab®

Turn ordinary events into extraordinary occasions – in a Snap.

Easy to use, the SnapLab is **plug and play**. Take it out of the box, plug it in, choose a language and your digital photo printing service is ready. **No technical training is needed** for your sales staff.

Versatile, the SnapLab offers **glossy and matte finish** with no need to change the media roll.

Economical, the SnapLab produces professional quality prints for a **low investment**. Add borders for personalized greeting cards, create **index print and collages** with a single touch on the screen.

Portable, the SnapLab travels to the event with you. Set-up is **easy** and the **compact footprint saves valuable space**.

Print digital photos directly from a **cellular camera phone** with the built-in Bluetooth® technology.**

Touch a button to select menu.

Confirm your order, then press "Print Start".
