Digital Photo Printer

UP-D75

digital photo printer

Print by Sony

**True professional quality from
a digital photo printer
that meets real
customer needs.**

Sony is proud to introduce the new state-of-the-art UP-D75, Digital Photo Printer. It is the successor to the UP-D70A, which has received high acclaim in the professional digital photo printing market, i.e., the DIMA printer award at the 2005 PMA Spring Show. The UP-D75 can produce A4, 8 x 10 inches, and A4Plus sizes photo-quality prints that, when printed on Sony laminating media, will resist water and fingerprints and provide you with a long lifetime of printing. This powerful combination provides the superior image quality demanded by those who work in professional portrait photography, event photography, and other creative fields. Offering you not only high picture quality, but also stability and high reliability, the UP-D75 will bring great profit and customer satisfaction to your business.

FEATURES

Superior Image Reproduction

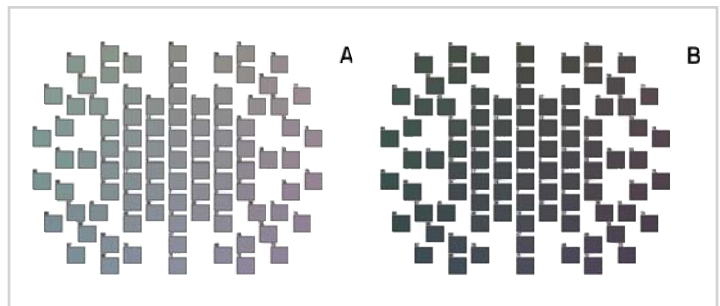

Incorporating Sony dye sublimation printing technology, the UP-D75 Digital Photo Printer outputs photo-quality prints. Crisp and clear images are reproduced using the easy gray-balance adjustment capability, together with reliable and cost-effective laminating media.

Sony Patented Surface Finish

In the UP-D75, three types of finish - glossy, texture, and matte are available with the unique Sony laminating process. Especially the matte is significantly suited for preferred appearance for a portrait print.

Gray Balance Adjustments

Using the gray balance adjustment capability, the gray color can be easily specified. The UP-D75 distinguishes between delicate gray colors, and reproduces the required color.

A4, Letter, and A4Plus-size Printing

The UP-D75 prints in A4, Letter, and A4Plus sizes, with a maximum print area of 216 x 297 mm (8 5/8 x 11 3/4 inches).

For Photo KIOSK

For Portrait

For Event Photo

Compact and Space-saving Design

The UP-D75 has a compact design with dimensions of approximately 494 (W) x 176 (H) x 469 (D) mm (19 1/2 x 7 x 18 1/2 inches). Its compact and box-shaped body enables it to fit into limited space and be installed into cabinets or kiosks. Moreover, multiple UP-D75 units can be stacked.

Useful Front Operation

The front-loading operation enables easy replacement of paper and ribbon. Front loading allows the UP-D75 to be installed in even the tightest spaces.

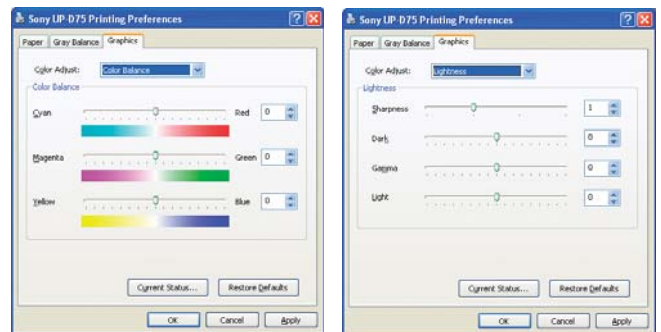

USB Interface

The UP-D75 has a Hi-Speed USB (USB 2.0) interface so that image data can be transferred to it from a PC at high speed.

Compatible with Microsoft Windows

The UP-D75 is supplied with a printer driver for Microsoft® Windows® 2000 and XP Professional.

Useful features to maintain reliability and stability

• Detachable Dust Filter

To prevent the cooling fan from drawing dust into the printer, the UP-D75 features a detachable dust filter. This avoids problems such as color spots appearing in image printouts.

• Supplies Cleaning Kit

The UP-D75 supplies cleaning kit helps to prevent defects caused by dust and maintain high-quality printing results.

Spool memory for efficient printing

The UP-D75 is equipped with a spool memory that enables it to receive two print jobs at the same time. The second job is held in the spool memory until the first job is printed—helping to improve print efficiency and productivity.

SPECIFICATIONS

Printing Performance	
Printing method	Dye transfer sublimation thermal printing
Resolution	300 dpi
Gradation	8 bits (256 levels) each for Yellow, Magenta, and Cyan
Picture elements	A4 size (UPC-740): 3208 x 2400 dots Letter size (UPC-741): 3000 x 2400 dots A4Plus size (UPC-747): 3508 x 2560 dots
Print size	A4 size (UPC-740): 203.2 x 271.6 mm (8 x 10 3/4 inches) Letter size (UPC-741): 203.2 x 254 mm (8 x 10 inches) A4Plus size (UPC-747): 216 x 297 mm (8 5/8 x 11 3/4 inches)
Printing time	A4 size (UPC-740): approx. 85 seconds Letter size (UPC-741): approx. 80 seconds A4Plus size (UPC-747): approx. 90 seconds
Interface	Hi-Speed USB (USB 2.0)
Spool memory	For one additional picture
General	
Power requirements	AC 100 to 240 V, 50/60 Hz
Power consumption	Max. 3.0 to 1.3 A
Dimensions (W x H x D)	493.8 x 176 x 468.8 mm (19 1/2 x 7 x 18 1/2 inches)
Mass	18 kg (39 lb 11 oz)
Safety standards	UL60950-1, CSA C22.2 No.60950.1 (uCL) (UC), EN60950-1 (CE)
Bundled	Printer driver for Microsoft Windows 2000, XP Professional
Supplied accessories	Ink ribbon holder (1), Paper tray (1), Paper cover (1), Fan cover (1), Bottom cover (1), Ferrite core (1), Thermal head cleaning kit (1), AC power cord (1), Operating instructions (1), Warranty card (1), CD-ROM (driver software, online manual) (1), SOFTWARE LICENSE AGREEMENT (1)
