# DS40PM™

## Social networks allow you to upload, edit, and caption your own photos. Unleash these creative forms of expression. Memories deserve prints!

**Fun**

Popular and fun, this new media allows social media users to print 4x4" photos that resemble vintage Polaroid® pictures.

**Reliable**

Sealed dye layers protect against UV light, fingerprints, and liquids. Prints are dry as soon as they leave the printer.

**Versatile**

A 2-inch laser-snap perforation allows for special messaging – vouchers, coupons, wallet-size images, or any other special messaging. Complete creative control of messaging is defined by the photographer!

**High Quality**

High quality dye-sublimation media produced and manufactured by DNP, the world leader in comprehensive printing.
